

Nurse / Emergency Call

**Elevate your healthcare facility's efficiency and patient care
with Tech Works NC-Series**

- **Enhanced Patient Care**
- **Increased Staff Efficiency**
- **Scalable Solutions**
- **UL1069 Certified**

No matter what type of healthcare facility, from a single rest room to a large senior care, with a touch of a button or pull of a cord the medical staff will be alerted immediately when there is a need. Tech Works NC Series can be designed to give emergency/nurse call options that scale from 1 to 256 locations in a facility.

Tech Works NC-Series is UL1069 listed for all Nurse Call and emergency signaling.
